Dear Dr. Livingston:

We very much appreciate your thoughtfulness in arranging for a planned visit by former AEC Chairman John A. McCone - now Director of CIA - who had very much hoped to visit your laboratory on Wednesday, March 21st. Unfortunately, his departure was delayed for various reasons, thus precluding the planned visit.

Mr. McCone has asked me to express his appreciation for your thoughtfulness in making arrangements and to tell you he hopes to visit you on another occasion.

Chairman Seaborg has asked me to convey to you his very best wishes.

Sincerely,

Howard C. Brown, Jr.
